Hi Dan:

We have not received any communications from Mr. Rousseau or his counsel.

As for Mr. Hopper, we received one device (Samsung Galaxy S7) which we could not collect (phone appears to have been factory reset or there is some other issue and the device continuously reboots and only stops when the battery dies.). Mr. Hopper communicated that he would ship another device (Samsung Galaxy S9) but we have not received this device yet. As for his other accounts, we have only been able to collect publicly available information from Mr. Hopper's @TrueAmVanguard Twitter account and Mr. Hopper's BloodAndSoil.org website. We have not been able to proceed with other accounts because we have not received credentials/passwords.

We have not been able to collect anything for Vanguard America because of incorrect credentials or missing credentials information.

Regards,
Ken

Hi Ken,

We wanted to follow up on the below, as well as Vanguard America more generally. Have you received any electronic devices from either Mr. Rousseau or Mr. Hopper? In addition, have you had any success with any of the social media or email accounts they have identified? Re-attaching everything here for your convenience.

Thanks,

Dan

[EXTERNAL SENDER]

Hi Ken,

Attached please find a Twitter authorization form from Thomas Ryan Rousseau, as well as his signed ESI certification. We will be following up with his counsel to ensure that he sends over his devices and submits the necessary Discord authorization forms. Let me know if you have any questions.

Thanks,

Dan
